(1) Imagine me and you, I do.
                        D
    I think about you day and night, it's only right.
                         C
    To think about the girl you love, and hold her tight.
                H
    So happy together.

                   Emi
(2) If I should call you up, invest a dime.
                         D
    And you say you belong to me, and ease my mind.
                      C
    Imagine how the world would be, so very fine.
                H
    So happy together.

    E              Hmi7                E                  G
(R) I can see me lovin' nobody but you, for all my life.
    E                       Hmi7                        E                    G
    When you're with me baby, the skies will be blue for all my life.

    Emi
(3) Me and you, and you and me.
                        D
    No matter how they toss the dice, it had to be.
                      C
    The only one for me is you, and you for me.
                H
    So happy together.

(R) I can see me...

(4) =(3)Me and you...
