

- Hmi**  
(1) Hello.  
**Hmi** **A**  
Is there anybody in there?  
**G** **Emi**  
Just nod if you can hear me  
**Hmi**  
Is there anyone home?
- (2) Come on, now  
I hear you're feeling down  
Well I can ease your pain  
Get you on your feet again
- (3) Relax  
I need some information first  
Just the basic facts:  
Can you show me where it hurts?
- D** **A**  
(R) There is no pain, you are receding  
**D** **A**  
A distant ship's smoke on the horizon  
**C** **G**  
You are only coming through in waves  
**C** **G**  
Your lips move but I can't hear what you're sayin'  
**D** **A**  
When I was a child I had a fever  
**D** **A**  
My hands felt just like two balloons  
**C** **G**  
Now I got that feeling once again  
**C**  
I can't explain, you would not understand  
**G**  
This is not how I am  
**A** **G** **D** **A**  
I have become comfortably numb
- (4) OK,  
just a little pinprick  
There'll be no more -- aaaaaahhhhh!  
But you may feel a little sick
- (5) Can you stand up?  
I do believe it's working, good  
That'll keep you going for the show  
Come on, it's time to go
- (R) There is no pain, you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're sayin'  
When I was a child I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now  
The child is grown, the dream is gone  
I have become comfortably numb
