If God had long hair, and a goatee
             Em               C       G            D
And if his eyes were pretty glazed, if he looked spaced out:
           Em      C          G         D
Would you buy his story?     Would you believe
           Em    C          G        D
he had an eye infection?
    Em    C     G         D
And yeah, yeah, God looks baked
Em    C     G          D
Yeah, yeah, God smells good
Em    C     G           D
Yeah, yeah, yeah, yeah, yeah

What if God smoked cannabis?
          Em         C          G     D
Hit the bong like some of us?
          Em       C     G
Drove a tye-dyed micro-bus?
           D                  Em        C     G    D    Em
And he subscribes to Rolling Stone?

```
When God made this place, in the beginning
Did he plant any seeds?
Or did he put them there for Adam and Eve
So they'd be hungry for the apple that the snake was always offering?
And yeah, yeah, God rolls great
Yeah, yeah, God smells good
Yeah, yeah, yeah, yeah, yeah
```

What if God smoked cannabis
Do you 'spose He had a buzz
When He made the platypus
When He created Earth our homes
Does He like Pearl Jam or The Stones?
And do you think He rolls His own?
Up there in heaven on the throne
And when the saints go marching home
Maybe He sits and smokes a bong....
