```
    Ami                                          G
(1) Your breath is sweet, your eyes are like two jewels in the sky
    F                                                    E
    Your back is straight your hair is smooth on the pillow where you lie
    Ami                          G
    But I don't sense affection no gratitude or love
    F                           E
    Your loyalty is not me but to the stars above

    F                                 E
(R) One more cup of coffee for the road
    F                                  E
    One more cup of coffee for I go
                     Ami  G F E
    To the valley below

(2) Your daddy he's an outlaw and a wanderer by trade
    He'll teach you how to pick an choose and how to throw the blade
    And he oversees his kingdom so no stranger does intrude
    His voice it trembles as he calls out for an other plate of food

(3) Your sister sees the future like your momma and yourself
    You've never learned to read or write there's no books upon your
shelf
    And your pleasure know no limits your voice is like a meadow larks
    But your heart is like an ocean mysterious and dark
