    Dmi                  Bb
(1) When she was just a girl
    F                C
    She expected the world
           Dmi               Bb
    But it flew away from her reach
           F               C
    So she ran away in her sleep

                Gmi          Bb
(R) Dreamed of para, para,  paradise
    F            C
    Para, para,  paradise
    Gmi          Bb
    Para, para,  paradise
    F              C
    Every time she closed her eyes

(2) When she was just a girl
    She expected the world
    But it flew away from her reach
    And bullets catch in her teeth

    Dmi               Bb
(I) Life goes on, it gets so heavy
        F              C
    The wheel breaks the butterfly
    Gmi              C
    Every tear, a waterfall
           Bb                F                       C
    In the night, the stormy night, she closed her eyes
           Bb                F                   C
    In the night, the stormy night, away she flies

          Bb          F                  C
(I2)Still lying underneath the stormy skies
              Bbmi    F                          C
    She said, oh oh, oh oh oh oh, I know the sun's set to rise
