(I)

      C      D      Ami
(1) I hurt myself today
       C      D       Ami
    To see if I still feel
      C     D      Ami
    I focus on the pain
        C    D            Ami
    The only thing that's real
        C      D       Ami
    The needle tears a hole
        C     D      Ami
    The old familiar sting
           C       D    Ami
    Try to kill it all away
            C      D    G
    But I remember everything

    Ami            F
(R) What have I become
    C             G
     My sweetest friend
    Ami         F           C
    Everyone I know goes away
           G
    In the end
        Ami                F
    And you could have it all
    C
    My empire of dirt
    Ami             F
    I will let you down
    C                Ami
    I will make you hurt

(2) I wear this crown of thorns
    Upon my liar's chair
    Full of broken thoughts
    I cannot repair
    Beneath the stains of time
    The feelings disappear
    You are someone else
    I am still right here

    Ami            F
(R) What have I become...

(I3)If I could start again
    A million miles away
    I would keep myself
    I would find a way
