- C** **G** **Ami**
(1) Let's start in style, let's dance for a while
F **G**
Heaven can wait we're only watching the skies
Ami **F**
Hoping for the best, but expecting the worst
G6 **G6add11**
Are you gonna drop the bomb or not?
- (2) Let us stay young or let us live forever
We don't have the power, but we never say never
Sitting in the sandpit, life is a short trip
The music's for the sadman

- (3) Can you imagine when this race is won
Turn out all the faces into the sun
Praising our leaders, we're getting in tune
The music's played by the madman

- C** **G**
(R) Forever Young
Ami **F**
I want to be Forever Young
G **Ami**
Do you really want to live forever?
F **G**
Forever, and ever
C **G**
Forever Young,
Ami **F**
I want to be Forever Young
G **Ami**
Do you really want to live forever?
F **G** **C**
Forever Young.

- C** **G** **Ami**
(4) Some are like water, some are like the heat
F **G**
Some are a melody and some are the beat
Ami **F**
Sooner or later they all will be gone
G6 **G6add11**
Why don't they stay young?

- (5) It's so hard to get old without a cause
I don't want to perish like a fading horse
Years like diamonds in the sun
And diamonds are forever

- (6) So many advantages given up today
So many songs we forgot to play
So many dreams swinging out of the blue
Oh let it come true
