(I) C D G Emi x2

```
              C         D
(1)I used to rule the world
               G                      Emi
   Seas would rise when I gave the word
                         C       D
   Now in the morning I sleep alone
              G                    Emi
   Sweep the streets I used to own
```

(I) C D G Emi x2

```
              C         D
(2)I used to roll the dice
            G                     Emi
   Feel the fear in my enemy's eyes
                  C            D
   Listen as the crowd would sing:
            G                    Emi
  "Now the old king is dead! Long live the king!"

                 C         D
(3)One minute I held the key
            G                        Emi
   Next the walls were closed on me
                               C         D
   And I discovered that my castles stand
        G                      Emi
   Upon pillars of salt and pillars of sand

     C               D
(R)I hear Jerusalem bells are ringing
   G               Emi
   Roman Cavalry choirs are singing
   C                  D
   Be my mirror, my sword, and shield
      G                   Emi
   My missionaries in a foreign field
   C                   D
   For some reason I can't explain
   G                       Emi              C       D
   Once you go there was never, never an honest word
            Hm                   Emi
   That was when I ruled the world
```

(I) C D G Emi x2

```
                           C    D
(4)It was the wicked and wild wind
   G                        Emi
   Blew down the doors to let me in.
                               C         D
   Shattered windows and the sound of drums
   G                            Emi
   People couldn't believe what I'd become
```

```
            C      D
(5)Revolutionaries wait
          G                 Emi
   For my head on a silver plate
                        C      D
   Just a puppet on a lonely string
      G                            Emi
   Oh who would ever want to be king?

     C               D
(R)I hear Jerusalem bells are ringing...

(I2) C   Emi  x3
     D  x2

(I)  C   D   G   Emi   x2
(Ohhhhh Ohhh Ohhh)

     C               D
(R)I hear Jerusalem bells are ringing...

(I3) C    D    Hmi    Emi   fade out
     Oooooh Oooooh Oooooh
```
