    [:     :]

(1) Today is gonna be the day
    that they're gonna throw it back to you
    By now you should've somehow
    realized what you gotta do
    I don't believe that anybody feels the way I do
              C   D  A7
    about you now

(2) Back beat, the word was on the street
    that the fire in your heart is out
    I'm sure you've heard it all before
    but you never really had a doubt
    I don't believe that anybody feels the way I do
              Emi  G  D  A7
    about you now

        C                D                  Emi
(3) And all the roads we have to walk are winding
        C                    D                  Emi
    And all the lights that lead us there are blinding
    C               D                    G       G/F#   Emi
    There are many things that I would like to say to you
                     A7
    But I don't know how

             C     Emi  G
(R) Because maybe
           Emi                    C         Emi  G
    you're gonna be the one that saves me
        Emi   C   Emi  G
    And after all
              Emi   C    Emi  G  Emi  A7
    You're my wonderwall

(4) = (1)

(5) = (3)

(R)  I said maybe...
(R)  I said maybe...
(R) I said maybe
    3× [: You're gonna be the one that saves me :]
