```
    Ami       G     F   G               C    F  C
(1) She would never say where she came from
    Ami       G     F      C       G    C  G
    Yesterday don't matter if it's gone
    Ami       D7     G
    While the sun is bright
       Ami    D7      G
    Or in the darkest night
           C     F  C            G    C  G
    No one knows   she comes and goes

    C   G   C
(R) Goodbye Ruby Tuesday
              G           C
    Who could hang a name on you?
    C        G           F
    When you change with ev'ry new day
    G               C        G
    Still I'm gonna miss you

(2) Don't question why she needs to be so free
    She'll tell you it's the only way to be
    She just can't be chained
    To a life where nothing's gained
    And nothing's lost at such a cost

(R)

(3) There's no time to loose I heard her say
    Cash your dream before they slip away
    Dying all the time
    Lose your dreams and you
    Will loose your mind, ain't life unkind
